

1st Fressingfield Scout Group

Yoxford and Peasehall School Section

Scouting at Yoxford and Peasehall is fully embedded within our curriculum, for all pupils from Years 1 to Year 6.

Operating under the direction of 1st Fressingfield Scout Group, we provide a structure of badges and awards, which are progressive through the sections, and based on a number of objectives. Our programme has been planned alongside our broad and balanced curriculum to ensure that activities planned supplement and enhance the learning that is taking place.

Below is an overview of the badges that each section will be working towards over the academic year 2020-2021, and the link to our curriculum.

Details about what each badge involves can be found on the <https://www.scouts.org.uk/> website
